To Whom It May Concern,

I am writing this letter to recommend **MOHAMMED IBRAHIM SHALABI** for your organization. **MOHAMMED** joined our summer coop program this summer. He showed remarkable performance during training, expressing knowledge, competency, leadership and most importantly team spirit. He specifically demonstrated outstanding participation in the artificial intelligence programming competition held at the end of training period. Despite the short time period the competition had, he expressed good work ethics and interpersonal skills and completed work within deadline. Overall I would strongly recommend **MOHAMMED IBRAHIM SHALABI** for a position in your organization.

Best Regards,

Mohammed k. Bamaga

Executive Vice President Information Technology
